ABOUT YOUR CHAMBER

BACKGROUND

The Cape Breton Regional Chamber of Commerce is a private-sector led, not-for-profit, non-partisan organization. The Chamber is 100% funded through membership dues and event sponsorship, along with other revenue generating initiatives throughout the year.

HISTORY

The Chamber's origins date back to 1911, when it was incorporated as the Sydney Board of Trade with a membership of 38. The unified communities of Glace Bay, New Waterford, Dominion, Sydney, North Sydney, Sydney Mines, and Louisbourg, provided a strong voice for Cape Breton professionals going forward.

In 2002, the Cape Breton Industrial Board of Trade became the Sydney and Area Chamber of Commerce in order to modernize our image and bring the organization in line with other business organizations in North America.

In 2018, the Chamber renamed itself the Cape Breton Regional Chamber of Commerce to encompass the region in its entirety. You will find the Cape Breton Regional Chamber of Commerce office at 50 Dorchester Street in Downtown Sydney, but the organization represents all areas of the Cape Breton Regional Municipality (CBRM).
